

Statement of Disclosure In accordance with the Accreditation Council for Pharmacy Education (ACPE) Standards for Continuing Pharmacy Education 2009, Northeastern University School of Pharmacy requires that faculty members disclose any relationship (e.g., shareholder, recipient of research grant, consultant or member of an advisory committee) that the faculty may have with commercial companies whose products or services may be mentioned in their presentations. Such disclosure will be made available on the day of the program.

Requirements for Credit

- Program attendees can earn Continuing Pharmacy Education credits for this program by electronically logging onto the website: <http://www.rxce.neu.edu>, inserting the activity specific code number and successfully completing the activity learning assessment/evaluation form.
- Participant names will be checked against program attendance sheets for verification of attendance.
- Participants have 60 days to complete evaluations. After 60 days from September 30, 2018, no credit will be available for this program.
- Credits will be electronically transferred to the CPE Monitor System. No Statements of Credit will be issued by Northeastern University School of Pharmacy.
- Program participants can earn up to 5 contact hours of continuing education credits in pharmacy law.

The Vermont Pharmacists Association reserves the right to cancel a program due to unforeseen circumstances.
